** If you haven't been to the FTC before, you need to know that we enter through the rear door (the front door is typically locked/no parking). From Route 9A, with the Hawthorne Home Depot at your back, proceed East on Dana Road about 2/10 of a mile, past 4 Dana Road, and turn right on Walker Road. Park in the long lot on the right and go down the outdoor stairway, pass the trailer and enter through the glass doors. Classroom #3 is down the hall to the right. Handicapped access is available at the training level- just call me on 732-693-4504.
