APPLICATION FOR AUTOPATCH PRIVILEGES

Autopatch is available to all WECA members except Associates. The autopatch system allows you to make a telephone call through any of the WECA repeaters (two meters, two twenty and four forty). In addition there is a special autodial feature that allows you to dial a shortened number of digits to reach a specific telephone number. This is also available on all three repeaters. The fee for autopatch privileges is eighteen dollars per year. This fee entitles you to access the autopatch capability on each of the repeaters. It also entitles you to an autodial slot if you require it. A second slot on any band is available for an additional five dollar fee per slot.

The fee schedule is as follows:

Month of Application:	Sep,Oct,Nov	Dec,Jan,Feb	Mar,Apr,May	Jun,Jul,Aug
Basic Autopatch	18.00	13.50	9.00	4.50
Autodial (on each band)	Free	Free	Free	Free
Optional Autodial (per band)	5.00	3.75	2.50	1.75

The autopatch term starts in September and ends in August. The fee is determined by the month in which you apply. For example, if you apply for membership in March and want one autodial number on each band, your fee is \$9.00. If you want a second autodial number on two meters your fee is \$9.00 plus \$2.50 or \$11.50 total.
