Press Release

WECA provides communications for Multiple Sclerosis TZ Bike Tour

Westchester Emergency Communications Association (WECA) in its continuing commitment to public service, provides communication support to the National Multiple Sclerosis Society Southern New York Chapter for their 11th anniversary of the Bike MS/ Tappan Zee Bike Ride. MS goal for this years ride is to have 1000 riders raise \$400,000. WECA is proud to lend its support to this event. This years ride kicks off at 7:30am on September 28th, 2008 beginning at Kraft Foods, 555 South Broadway, Tarrytown, NY 10591. WECA will provide communicators at key locations along the twenty and sixty mile routes as well as in vehicles to assist bikers.

The WECA Amateur Radio operators, also known as Hams or Ham radio operators, are all volunteers belonging to Westchester Emergency Communication Association with close to 200 active members from Westchester and the surrounding area. Throughout the year WECA members volunteer to assist with public service events like; Leukemia & Lymphoma Society's Light the Night Walk, The American Diabetes Association Walk, and others.

Robert Kantor, WECA's Public Service Director, will be available to answer any questions about this event and he will be at Kraft Foods, 555 South Broadway, Tarrytown, NY 10591 from 6:30am till the event concludes. Robert Kantor can also be reached at 914-949-4231. For more information on WECA including: membership, Ham Radio, and other Public Service events, check out our web site at <http://www.weca.org>.
